

UNWANTED: Velvetleaf

Look out for this pest weed

Velvetleaf amongst fodder beet

Velvetleaf seed pods

Velvetleaf mature plant

Check your fodder beet crop for the aggressive weed velvetleaf.

If you find it:

- take a photo of the plant/s;
- mark the location so it's easy to find again;
- do not pull the plant out – you could spread seed.

Report it to MPI on 0800 80 99 66
