

Seed-Cleaning Operator

Highleaze Seeds is a progressive seed cleaning business located at Smeaton, near Ballarat in Central Victoria, Australia. We are seeking up to two Seed Cleaning Plant Operators. Their responsibilities would include monitoring, adjusting the seed cleaning plant as well as supervision and co ordination within a small, dedicated team. A commitment to O.H & S and Q.A. procedures is required.

The ideal applicant will have experience in seed cleaning, grain handling and have a mechanical aptitude. Experience with Seed Coating is advantageous but not essential. Attention to detail is very important.

This role is a hands-on position for an active person who would need to be a self-starter and able to work independently.

Remuneration commensurate with experience will be negotiated with the successful applicant. The position offers a long term career opportunity for the right candidates.

Applications covering full work history/qualifications complete with copies of 2 references should be addressed to:

David Toose
Highleaze Seeds Pty Ltd
3487 Creswick – Newstead Road
Smeaton Victoria, Australia 3364
Email: david.toose@highleazeseeds.com.au

All applications will be treated with the strictest confidence.
Applications close Wednesday, 30th October, 2013.
